II PETER 1:5-11

What hope inspiring courage to keep going with effort toward vv. 5-7 virtues do we find in verse 8?

- The true knowledge of Jesus Christ
- That same place where knowledge of Christ seems fruitless also contains roots for fruitful living
- Encouragement that can have while we don't have
- There is a picture of journey/process in which we still impact for Christ while He is working
- Instead of our eyes wandering for hope in face of failure, find hope that God wants to work these things in my life & ask Him to do His desire

THE LIFE OF RELATIONSHIP WITH GOD PT. 13

II PETER 1:5-11

To whom would verse 8 be incentive to keep going in the direction of vv. 5-7? (describe this person—what would they value)

- Someone who cares about God's opinion
- Someone tired of focus on me – want a pure faith
- Tired of sin dominating picture
- For those who don't want to waste life
- Someone who cares about God's purposes for us
- Those who want more than bragging rights or respect from their great knowledge
- Those who are tired/want to finish/short-sighted
- Someone free from looking to themselves for perfection or for standard for results

trying to learn what is pleasing to the Lord. 11 Do not participate in the unfruitful deeds of darkness, but instead even expose them;
Ephesians 5:10-11

“Some of the most effective Christians I have known are people without dramatic talents and special abilities, or even exciting personalities; yet God has used them in a marvelous way. Why? Because they are becoming more and more like Jesus Christ. They have the kind of character and conduct that God can trust with blessing. They are fruitful because they are faithful; they are effective because they are growing in their Christian experience.”

At the same time they also learn to be idle, as they go around from house to house; and not merely idle, but also gossips and busybodies, talking about things not proper to mention.

II PETER 1:5-11

At the same time they also learn to be idle, as they go around from house to house; and not merely idle, but also gossips and busybodies, talking about things not proper to mention. 1 Timothy 5:13

How does this happen?

- Living outside boundaries of normal Christian living
- Forgot most important commitment and that relationship with Christ is the ultimate priority
- If not pursuing what God has will be building something else, therefore minor sins lead to larger sins
- Lack of Biblical discipleship—not tied together with those tied under Christ
- Choices – strengthening something/weakening something else
- Lack of clear biblical mission
- Audience that hasn't valued the process of biblical discipleship
- Concerned about things world values – info, quick judgements, sensitivity...
- Desires/dedication, pledge – encompass whole life – therefore, if not growing with God's standard of growing, then wrongfully focused
- Intentions aren't enough – either building one side or the other

II PETER 1:5-11

What would be required to live doing the right actions found in I Timothy 5:9-16?

- Must value knowing Christ and doing what He is doing – living relationship
- Apply what He is like to our situations (Phil. 2:1ff)
- Hebrews 12:1-4
- Position under Christ
- Content with lot in life
- They have been trained, disciple, transformed by Christ among the people of God
- Gifts are not focused – rather love for Christ
- A higher calling – an eternal perspective
- Everything we do is modeling a way of living – what are we saying about Christ and His body

II PETER 1:5-11

If you are unable to perceive and therefore discern correctly, what will characterize your spiritual life and subsequent actions?

- Unproductive and cause harm
- Right or wrong motives, wrong actions
- Whatever – sometimes good, sometimes not
- Lack of evidence of yielding to the Spirit – perhaps no Spirit
- Not Christ or gospel

How would we focus our energies on these character traits in a way that would evidence the work of God—a result of faith, meaning effort IN God's presence? What might that include OR what would be signs our growth is NOT a result of God's power or inside living relationship with God?

- Rom 4:18-20 – lifting up the promises of God
- By periodic spiritual check-ups that looks for which of these is missing because healthy growth will have these flowing from + building on each other
- Look for evidence that the change/work done is result of look beyond ourselves and immediate results (faithful and joyful service)
- First direction we head when trying to grow in these shows source i.e.) prayer – dependence – shows where help comes from and who we are seeking to please
- Looking to grow in humility – are you praying for this
- Proverbs 2:4 fervor, zeal, work—that life FILLED with this characteristic in looking for God's kingdom purposes throughout our day—preparation in this vein
