

A glass jar filled with lit sparklers sits on a dark, textured surface. The sparklers are bright and glowing, with sparks falling. The background is dark with bokeh lights in shades of blue and purple. A string of warm white lights is visible in the foreground, partially obscured by the jar.

“It Has to Show”

LUKE 3:7-14

I. Self-Justification Is a Natural Response

I. Self-Justification Is a Natural Response

1. Our protective instinct quickly arises

I. Self-Justification Is a Natural Response

1. Our protective instinct quickly arises
2. We don't measure up to God's requirements

I. Self-Justification Is a Natural Response

1. Our protective instinct quickly arises
2. We don't measure up to God's requirements
3. God is able to raise up children

I. Self-Justification Is a Natural Response

1. Our protective instinct quickly arises
2. We don't measure up to God's requirements
3. God is able to raise up children

II. True Fruit Attests Validity of Repentance

I. Self-Justification Is a Natural Response

1. Our protective instinct quickly arises
2. We don't measure up to God's requirements
3. God is able to raise up children

II. True Fruit Attests Validity of Repentance

1. Fruit is commanded
